Hi Everyone (FYI to Sheila and Elizabeth),

(b)(5) Deliberative

(b)(5) Deliberative

Feel free to send me any comments before the meeting on Friday.

[Note to Sheila and Elizabeth: we are meeting with the subgroup on Friday, 9/19 at 10AM, then we have a managers' meeting on Monday, 9/22 at 10AM. We've been talking with many people in Oregon as well as looking at CZARA policies and communications. At this point, we're focusing CZARA on the management measure which is aerial application of herbicides on Type N streams for forests, but we're planning to write up a follow-up memo on other information we've found on how the state manages its forest chemicals.]

Thanks,

Jenny Wu
